Have You Registered for CONVERGE 2013?

Posted by [Courion Corporation](#) on Thu, Feb 21, 2013

CONVERGE²⁰¹³

Top Ten Reasons to [register now](#) for CONVERGE, Courion's annual customer conference:

1. **Hear success stories** from customers achieving value today from their deployment and leveraging the Courion Suite in creative ways.
2. **Attend strategic and technical presentations** and learn about product updates, emerging threats and industry trends – everything you need to know to stay miles ahead of the competition.
3. **Spend time with Courion executives**, professional services consultants and engineering staff.
4. **Network with your peers** during dedicated sessions and social activities.
5. **See live demos** of Courion products and customer deployments you won't see anywhere else.
6. **Meet with Courion and our partners** in the [Solutions Showcase](#) to learn how you can extend the value of your Courion deployment.
7. **Participate in an interactive conference game** and be eligible to win a grand prize!
8. **Earn CPE credits** toward your CISSP or other professional certification.
9. **Early bird registration ends March 1st** – Significantly lower than other industry conferences, right now it's just \$449 (regular registration is \$599).
10. **Experience an event like no other** – If you attend just one professional conference this year, *make it CONVERGE 2013*. Need help with approval? Share our justification letter with your manager to support your attendance.

[View the detailed agenda](#) and check back regularly for updates.

Don't miss out on these great benefits! [Register](#) for CONVERGE 2013 today!
